APPROVAL
OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the
following limitations and conditions:

This permit to change the point of diversion, place and manner of use of the
waters of an underground source as heretofore granted under Permit 36041 is issued
subject to the terms and conditions imposed in said Permit 36041 and with the
understanding that no other rights on the source will be affected by the change
proposed herein. The well shall be equipped with a 2-inch opening and a totalizing
meter must be installed and maintained in the discharge pipeline near the point of
diversion and accurate measurements must be kept of water placed to beneficial use.
The totalizing meter must be installed before any use of the water begins or before
the proof of completion of work is filed. If the well is flowing, a valve must be
installed and maintained to prevent waste. This source is located within an area
designated by the State Engineer pursuant to NRS 534.030. The State retains the right
to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on
public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit
holder obtain other permits from State, Federal and local agencies.

The existing well under Permits 36041, 48886 and 52380 shall be plugged as
required by NAC 534.420 immediately upon the issuance of Permits 61282, 61283 and
61284.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
exceed 0.15 cubic feet per second but not to exceed 74.55 acre-feet
annually.

Work must be prosecuted with reasonable diligence and be completed on or before April 27, 1996

Proof of completion of work shall be filed before May 27, 1996

Application of water to beneficial use shall be made on or before October 27, 1996

Proof of the application of water to beneficial use shall be filed on or before November 27, 1996

Map in support of proof of beneficial use shall be filed on or before N/A
